Kindle Fire—Download an eBook (EPUB Format)

What you need

- Kindle Fire
- Wireless connection
- Amazon.com Account
- OverDrive Media Console app
- Adobe ID
- Library card

How it works

- If you don't have a free Adobe ID get one now at adobe.com (make sure to remember your username and password).
- Download the free OverDrive Media Console app from the Amazon Appstore.
- Open the OverDrive Media Console app.
- Click on the menu button at the bottom and select **Get Books > Add a Library**. Enter **Highland City Library** or your zip code to find our digital library.
- Select **Highland City Library**.
- Sign in to OverDrive with your library card number (to see OverDrive Advantage titles).
- Find an EPUB book, select **Borrow > Download (select one format) > check EPUB eBook > Confirm & Download**.
- You can find your eBook in the OverDrive Media Console app by selecting **Bookshelf** from the menu button.

Return your book

- Open the OverDrive Media Console app.
- Go to the bookshelf.
- Tap the grey + sign next to the book you want to return.
- Tap **Return/Delete**.
- Tap **Return** then **Delete**.

**EPUB format works well if you want to reliably download directly to your device (no issues with Penguin Publishers). Some advantages to the OverDrive app that it is easier to browse for library books and all library eBooks are stored in the app.*
