Shauna: Easter Egg hunt went great. Special thanks to Kathy and Ellen for helping! Ran out of cookies and frosting, will order 100 more next year.

501c3 is reinstated. Ed Dennis helped us. Glade is heading up the treasury now. New scheduling is started for the building.

We need to get reservations for the Community Center for the arts events on the calendar for next season.

We need to start planning the Arts Show! Would like to have an Art Sale rather than a silent auction.

Would like to look for donations of gift cards to give our helpers. Would love art donated to sell.

They've been cleaning and working on the building. Looks so good.

Will do thumbprint art at the city open house.

Linda: Arts Club: Winding down. We have 3 more weeks. Will be finished at the end of May. Craft fair is coming along. Reservations for Vendors can be made the first of June.

Brenda Thurgood: Highland Choral Arts Concert is this Saturday! We have complimentary tickets for the ARTS COUNCIL. Would love for everyone to come.

Ellen: Audition times changed for Summer Schedule. Hoping to do her show at AFJH. Working toward that.

Donna: Our reading program starts May 26th. Doing a local author's festival on Saturday June 24th. If you know of any local author's please spread the word. (Contact Troy Stott). Local authors can email Donna. Holdman's also wrote a book. City Open house will have a library table. Theme this year is "Book Your Travels".

Kerilynn: Our show is Saturday. We are sold out. The students are so excited! ... and so am I. We have another performance for senior citizens the following week.
